IMPRISONMENT

The court finds that the conditions of probation have been violated as outlined the **PETITION FOR ACTION ON PROBATION** filed December 12, 2005. The court further finds that the defendant has been given every opportunity to comply with conditions of supervision and that he has continued to violate conditions by using illegal drugs, even after being given the opportunity to participate in drug treatment and counseling. Thus, an exception to 18 U.S.C. §3563(e) is not warranted. Accordingly, the defendant's probation is **REVOKE**D, and he is hereby committed to the **CUSTODY** of the UNITED STATES BUREAU OF PRISONS to be imprisoned for a period of **THREE (3) MONTHS**. The defendant is further ORDERED AND DIRECTED to pay the balance due on the fine heretofore imposed upon him, to-wit, \$195.00, as the law provides.

- The court makes the following recommendation to the BUREAU OF PRISONS:
- The defendant is remanded to the custody of the United States Marshal.
- The defendant shall surrender to the United States Marshal for this district:
 - at _____ A.M./P.M. on _____.
 - as notified by the United States Marshal.
 - as notified by the Probation/Pretrial Services Office.
- The defendant shall surrender for service of sentence at the institution designated by the Bureau of Prisons:
 - before 2:00 P.M. on _____.
 - as notified by the United States Marshal.
 - as notified by the Probation/Pretrial Services Office.
